Types of Data collected

Among the Personal Data collected by this Application, independently or through third parties, there are: Tracking Tools; Usage data.

Complete details on each type of data collected are provided in the dedicated sections of this privacy policy or through specific information texts displayed before the data is collected.

Personal Data may be freely provided by the User or, in the case of Usage Data, collected automatically when using this Application.

Unless otherwise specified, all Data requested by this Application are mandatory. If the User refuses to communicate them, it may be impossible for this Application to provide the Service.

In cases where this Application indicates some Data as optional, Users are free to refrain from communicating such Data, without this having any consequence on the availability of the Service or on its operation.

Users who have doubts about which Data are mandatory are encouraged to contact the Owner. Any use of Cookies - or other tracking tools - by this Application or by the owners of third-party services used by this Application, unless otherwise specified, has the purpose of providing the Service requested by the User, in addition to further purposes described in this document and in the Cookie Policy, if available.

The User assumes responsibility for the Personal Data of third parties obtained, published or shared through this Application and guarantees that he has the right to communicate or disseminate them, freeing the Owner from any liability towards third parties.

Method and place of processing of the collected Data

Methods of treatment

The Data Controller adopts the appropriate security measures to prevent unauthorized access, disclosure, modification or destruction of Personal Data.

The processing is carried out using IT and/or telematic tools, with organizational methods and with logic strictly related to the purposes indicated. In addition to the Data Controller, in some cases, other subjects involved in the organization of this Application (administrative, commercial, marketing, legal, system administrators) or external subjects (such as third party technical service providers, postal couriers, hosting providers, IT companies, communication agencies) also appointed, if necessary, as Data Processors by the Data Controller. The updated list of Managers can always be requested from the Data Controller.

Legal basis of the treatment

The Data Controller processes Personal Data relating to the User in the event that one of the following conditions exists:

- The User has given consent for one or more specific purposes; Note: in some jurisdictions the Owner may be authorized to process Personal Data without the User's consent or another of the legal bases specified below, as long as the User does not object ("opt-out") a treatment narrative. However, this is not applicable if the processing of Personal Data is governed by European legislation on the protection of Personal Data.
- The treatment is necessary for the execution of a contract with the User and/or for the execution of pre-contractual measures;
- The processing is necessary to fulfill a legal obligation to which the Data Controller is subject;
- the processing is necessary for the execution of a task in the public interest or for the exercise of public powers vested in the Data Controller;
- The processing is necessary for the pursuit of the interests of the Data Controller or of third parties.

However, it is always possible to ask the Data Controller to clarify the concrete legal basis of each treatment and in particular to specify whether the treatment is based on the law, provided for by a contract or necessary to conclude a contract.

Place

The Data is processed at the Data Controller's operating offices and in any other place where the parties involved in the processing are located. For more information, contact the Owner.

The User's Personal Data may be received in a country other than the one in which the User is located. To obtain further information on the place of processing, the User can refer to the section relating to the details on the processing of Personal Data.

The User has the right to obtain information regarding the legal basis for the transfer of Data outside the European Union or to an international organization of public international law or constituted by two or more countries, such as for example the UN, as well as regarding the security measures adopted by the Data Controller to protect the Data.

The User can verify whether one of the transfers described above takes place by examining the section of this document relating to the details on the processing of Personal Data or by requesting information from the Data Controller by contacting him at the contact details indicated at the beginning.

Storage period

The Data are processed and stored for the time required by the purposes for which they were collected.

Therefore:

- Personal Data collected for purposes related to the execution of a contract between the Owner and the User will be retained until the execution of this contract is completed.
- Personal Data collected for purposes attributable to the legitimate interest of the Data Controller will be kept until such interest is satisfied. The User can obtain further information regarding the legitimate interest pursued by the Data Controller in the relevant sections of this document or by contacting the Data Controller.

When the treatment is based on the User's consent, the Owner can keep the Personal Data for longer until said consent is revoked. Furthermore, the Data Controller may be obliged to keep Personal Data for a longer period in compliance with a legal obligation or by order of an authority.

At the end of the retention period, the Personal Data will be deleted. Therefore, upon expiry of this term, the right of access, cancellation, rectification and the right to data portability can no longer be exercised.

Purpose of the processing of the collected data

The User's Data is collected to allow the Owner to provide the Service, fulfill legal obligations, respond to requests or executive actions, protect its rights and interests (or those of Users or third parties), identify any painful activity or fraudulent, as well as for the following purposes: Statistics.

Details on the right to object

When Personal Data is processed in the public interest, in the exercise of public powers vested in the Data Controller or for an interest held by the Data Controller, Users have the right to object to the processing for reasons connected with their particular situation.

Users are informed that, if their Data is processed for direct marketing purposes, they can object to the processing at any time, free of charge and without providing any cover. If Users oppose the processing for direct marketing purposes, the Personal Data are no longer processed for these purposes. To find out if the Data Controller processes Data for direct marketing purposes to Users, they can refer to the respective sections of this document.

How to exercise your rights

To exercise their rights, Users can send a request to the contact details of the Data Controller indicated in this document. The request can be filed free of charge and the Owner will respond as soon as possible, in any case within a month, providing the User with all the information required by law. Any corrections, cancellations or limitations to the processing will be communicated by the Data Controller to each of the recipients, if any, to whom the Personal Data have been transmitted, unless this proves impossible or involves a disproportionate effort. The Owner communicates these recipients to the User if he requests it.
